

ALFIE'S

This list doesn't follow the rulebook. You'll find familiar faces alongside wines that will make you do a double take. A Saperavi from Georgia that drinks unlike anything else on the list, a Bordeaux blend nobody saw coming, and wines from producers most people haven't heard of yet... but will soon.

Our wine list reflects the same care and intention as everything at Alfie's. Each bottle is chosen for its character and from producers who work with sustainability, letting the vineyard speak for itself and the result? A selection that celebrates place, responsible and thoughtful winemaking.

From punchy reds, built for the grill, to crisp, expressive whites that'll hold their own against anything on the menu. There's plenty here worth exploring. Start somewhere familiar, then let us take you somewhere you haven't been.

We acknowledge the Gadigal people of the Eora Nation, the Traditional Custodians of the land on which we gather, and pay our respects to their Elders past, present and emerging.

Pull up a chair, open something good and let it set the tone.
