

*“Wine represents to me sharing, good times and a celebration of life. It is always around happy occasions with family and friends and centred around joy. What better item to be involved in then something that represents all these wonderful things.” - Ernest Hemingway*

We believe in promoting great quality wines where vineyards are respected, rather than inundated with chemicals for the sake of effortless production. The producers we showcase at The Gidley live by this philosophy and produce the best wines possible using what the vineyards give them each vintage.

Most of the winemakers we admire use organic and biodynamic principles in the vineyard and in the winery. Most importantly, these winemakers uphold the principles of sustainable winemaking and the terroir of these wines.

The wines you will find on this list are exceptionally well-crafted, created with respect for nature and the bodies of those who consume it. The list also showcases outstanding Australian wines alongside classic grape varieties from distinct wine regions globally. Currently, we live in an exciting time where experimentation is at the centre of winemaking, with new styles of wine changing constantly. The team is excited to support innovative winemaking while also paying tribute to the classic drops that have been satisfying wine lover’s palates for decades.

We at The Gidley acknowledge the Gadigal people, the Traditional Custodians of the land on which we have gathered. We pay respects to their Elders past, present and emerging.

Crack open an outstanding bottle of wine, settle in, and savour the company and atmosphere. After all, you are what you drink!

### NV Pol Roger Brut Réserve

Champagne, FRA

30

1849 gave birth to one of Champagne's hall of fame, Pol Roger. Here, where deep traditions are polished by tireless refineries, the *Grand Marques* became an obsession to the late, yet, notoriously ever-thirsty Sir Winston Churchill who declared this as "the most drinkable address in the world". Timeless and classic, layered and expressive; the wine is effortlessly crisp with citrus and orchards core; framed by toasty brioche balanced with soft effervescence.

### 2025 Mount Majura 'The Silurian'

Canberra District, NSW

18

The Silurian is a modern tale of a geologically historic land that began 430 million years ago. Mount Majura - Frank van de Loo and his team knows the unique place that their wines stem from and have been quietly challenging the status quo since 1999. Here it is a "contemporary take on a time-honoured craft" - unencumbered and modest yet fragrant with vibrant pristine citrus misted with pomelo peel fragrant then a soft creamy tone. Cheers to the new Aussie sparkling!

## WHITE

150ml  
Glass

### Riesling | 2025 Clonakilla

Canberra District, NSW

20

Crafted by the Kirk family, pioneers of cool climate winemaking, this Riesling is a pure, vibrant expression of the Canberra District. Lime blossom, citrus zest, and wet stone aromatics lead to a finely textured palate with racy acidity and remarkable finesse. Riesling with texture from our country's Capital.

### Chenin Blanc | 2023 Champalou

Loire Valley, FRA

31

From the 13th generation of an independently run family of vigneron, Céline & Didier's tale was a journey. From countless wines appreciated at numerous occasions on the wooden table in the family backyard, tireless roams from New Zealand, the sugar shacks in Quebec, vineyards of South Africa to the island of Corsica; they came back home to honor a singular variety dating from a time of mythicals & saints - *Pineau de Loire* aka. Chenin! In their hand, it is multi-faceted with layers of alluring jasmine, white nectarine flesh and a vivid call back to the deep traditions here in the tender sun reflection of the Loire river.

### Vermentino | 2024 Tenuta Marsiliana

Tuscany, ITA

23

Tenuta Marsiliana is the accumulative love of the Corsini family from 9 centuries of winemaking enriched by the warm generosity from their own *osteria*, their utmost conservative care and their belief that being organic speaks the absolute truth. Shaped by the Mediterranean sun-drenched sea breeze of Maremma, rolling hills of lush greenery and rows of olives, the wine is undulating and perfumed as seductive Amalfi lemon drifts through faint salinity with a juicy quince backdrop.

### Chardonnay | 2025 Rivulet

Tamar Valley, TAS

24

Keira O'Brien's Rivulet is a tiny, one-women-army project built on vigorous passion in 2020. Although, this could've never been realised, if not for her burning impulse to take on some of Tassie's oldest vines parcels before they were ripped off their roots. The name Rivulet is an echo to the winding streams that flow around her vineyards as well as a riff on winemaking philosophy - "tiny trickles of wine, rivulets of sweat on the brow". Fittingly, here it's waves of textures and aromas; tingling zest & nashi pear flesh balanced with silkiness; purity amplified by subdued toastiness.

### White Blend | 2010 Bella Ridge Estate 'Belle Mere'

Swan Valley, WA

29

The 1990s marked Alon Arbel arrival in WA searching for strong westerly wind to fuel his wind-surfer spirit where he met the humble soul Jodi, who eventually grounded him in reality that is oenology & winemaking. She reckoned "if he's already drinking and talking about it a lot! It was obvious that Alon should be really good at making it too". The rest was history, as they made their first vintage in 2003 in a modest "shed" repurposed as a small winery. With an unwavering thirst to produce quaffably interesting wines of characters, 'Belle Mere' is a stylistic highlight of what a singular stellar vintage can offer, sprinkling in a bit of mystery. Be curious! Sip this slowly. Let your mind wander and maybe, its exotic aromas will take you straight to the boundless blue sky, earthy gnarly vines and gravelly warm soil of the Swan Valley.

# WINE BY THE GLASS

## PREMIER WHITE

60ml 125ml  
Taster Glass

**Semillon | 2011 Brokenwood 'ILR' Reserve**

**Hunter Valley, NSW**

**25 / 51**

What began in 1970 from some of Australia's most well respected wine people has blossomed into the benchmark for Australian Shiraz & Sémillon production. 'ILR' is the best of the best! 100% stainless steel. No Malolactis fermentation & natural yeasts. This is text book Hunter Sem at its best! Hints of smoke & toast collide with waxy full weighted fruit. Brioche body with limey electricity progresses through to macadamia and green melon. This wine is begging for some oxygen. Give it a big swirl in the glass and toast to a little slice of Australian history, right here in our own backyard of NSW.

**Gruner Veltliner | 2023 Rudi Pichler 'Terrassen' Smaragd**

**Kamptal, AUS**

**17 / 36**

From a tucked-away part of Europe once plagued by a controversy that shunned the whole country from viticulture. Now, it is a new chapter of utter obsessive care for nature with Rudi Pichler as one cornerstone of countless upheaval to this pedigree of site expression. Dazzling golden terraces of Achleiten, misty mornings ruptured by the glittering Danube river and a family built on uncannily methodical craftsmanship moulded by ancient soils 14,000 years ago gave birth to a lacy and polished wine that glides gracefully, basking our nostrils in steely bergamot, faint edelweiss florals with wild thyme abruptly tinged with white pepper & lime electricity.

**Chardonnay | 2023 Pierre Yves Colin Morey 'Au Bout du Monde'**

**Hautes-Côte de Beaune, FRA**

**25 / 53**

Started in 2005, this micro-negociant name is now synonymous with greatness in precision and evolutionary finesse in an already magical land of Burgundy full of legendary figures. *Au Bout du Monde* - At the Boundary of the World is a tiny parcel at a height where you will only see the skyline. Much like its name, the wine derives this extremely fine sense of intensity, an energetic racy feeling as if atop a cliff overlooking boundless sky yet grounded in firmness and aromatic freshness. So indescribable yet Pierre Yves wines linger with you, its harmony is vividly felt.

**Viura | 2016 R. López de Heredia 'Viña Gravonia' Crianza**

**Rioja, ESP**

**23 / 48**

R. López de Heredia is one of Rioja's most iconic traditional producers, founded in 1877 and still family-run, known for its patient, low-intervention approach and exceptionally long ageing before release. The winery continues to work in a classic style, using old American oak and extended maturation to build complexity and savoury depth rather than primary fruit expression. The 2016 "Viña Gravonia" Crianza Viura shows this philosophy clearly, with aromas of baked apple, citrus peel and chamomile, evolving into notes of almond, honey and gentle oxidative complexity. The palate is textured yet fresh, with fine acidity carrying through a long, savoury, and nuanced finish.

## SKIN CONTACT

150ml  
Glass

**Grillo | 2025 Inkwel 'Yellow'**

**McLaren Vale, SA**

**20**

Inkwel is a small, sustainability-focused producer in McLaren Vale founded by winemaker Dudley Brown and artist/photographer Irina Santiago-Brown. Known for expressive single-vineyard wines and minimal-intervention techniques, they champion alternative varieties that thrive in warm climates. Grillo, the sun-loving Sicilian grape, has been beautifully adapted to the Vale. This 2024 release is a vibrant, bright, saline, and textural wine, offering fresh, zesty notes of citrus blossom and ripe pear, with a subtle savoury grip on the finish.

## ROSÉ

150ml  
Glass

**Grenache/Cinsault | 2024 Triennes**

**Provence, FRA**

**18**

When two Burgundian powerhouses (Domaine Dujac & Domaine Romanee Conti) decide to purchase parcels of high quality Grenache and Cinsault in the coastal town of Provence in Southern France, only magic is possible! This blend is packed with text book fresh ripe alpine strawberry fruits, bright rhubarb and lemony citrus peel notes. It's pale pink, refreshing & very, very light pink!

## RED

150ml

**Cinsault | 2024 Brash Higgins 'Lennon Vineyard' (Chilled)** **McLaren Vale, SA** **18**

Made by Brad Hickey from organically farmed vines in McLaren Vale, hailed for minimal-intervention and never-ending fun wines of freshness and uplift. This Cinsault is light and vibrant, with bright red cherry and raspberry, subtle spice and soft tannins. Lively, easy-drinking and perfect with a chill.

**Gamay | 2024 Bremley Vineyard** **Coal River, TAS** **22**

From Tasmania's northernmost vineyard in the Coal River Valley, Bremley is nurtured by James and Vanessa Bresnehan, who transformed the property into a 13 ha single-vineyard site with a hands-on, sustainable approach. This bright and elegant Gamay, with red berries, floral lift, and a touch of spice, captures the vineyard's unique cool nights, warm days, and sheltered amphitheater setting. This Gamay is light, refined, and perfect for Pinot Noir lovers.

**Barbera | 2023 Galarin 'Le Querce'** **Barbera d'Asti, ITA** **23**

From the passionate Galarin family in Italy's Monferrato hills, the *Le Querce* Barbera is a vibrant and expressive wine, rooted deeply in tradition. It offers a generous and juicy palate layered with ripe red cherry, plum, and raspberry, complemented by fresh herbs and a gentle spice. Bright acidity and a touch of soft tannin lead to a refreshing finish, showcasing the family's commitment to quality.

**Malbec | 2023 Flechas de Los Andes Punta 'Punta de Flechas'** **Uco Valley, ARG** **24**

Founded by the Rothschild and Dassault families, Flechas de Los Andes brings Bordeaux precision to Argentina's high-altitude Uco Valley. Set at around 1,100m at the foot of the Andes, the estate draws on mineral-rich alluvial soils to produce Malbec with both power and freshness. The result is a refined, modern style—showing ripe dark fruit, violet and spice, underpinned by fine tannins and a lifted, vibrant finish.

**Montepulciano | 2017 Lunaria 'Coste di Moro Riserva'** **Abruzzo, ITA** **26**

Hailing from a visionary 500 farmers' cooperative in Abruzzo, Cantina Orsogna crafts wines that capture the hot Mediterranean soul, amidst the autumn-gold foliage in the foothills of the Majella National Park. This Riserva is brooding and dark, silky layers of ripe cherry, plum, and blackberry on a warm bed of cocoa and sweet spices; just like the forte e gentile heart of the humble Abruzzesi.

**Shiraz | 2023 Liquid & Larder by Yalumba** **Barossa, SA** **25**

Crafted in collaboration with Yalumba's Kevin Glastonbury, our sommeliers selected two exceptional Eden Valley sites—one planted in the 1850s on deep brown podzolic soils, the other in 1920 on sandy soils. With 15% whole bunch and 14 months' élevage in 15% new oak, this Shiraz is richly layered. Wild mulberry, blackberry, and green tobacco lead into black cherry pie, vanilla, and a touch of Grand Marnier, finishing with a spicy mountain pepper edge. A perfect match for our Rib Eye Chop.

**Cabernet Blend | 2021 Prisoner 'Unshackled'** **California, USA** **28**

With Coonawarra local Sally Nightingale at the helm. These grapes are sourced from some of the best growers around California. Deliciously dense with black inky fruit, Blackcurrant, liquorice & smooth vanilla tobacco, "This could be heaven or this could be hell!"

### Pinot Noir | 2023 Domaine Dujac

Morey Saint Denis, FRA

34 / 72

“Terroir is life itself, it was never merely geology: it also includes living organisms. The microbial fauna that breaks down organic matter is part of the identity of Burgundy.” Jacques & Jeremy Seysses - Dujac is one of many paragons of class in their dedicated stewardship of France’s Golden Slope, bringing to life the intrinsically nuanced and delicate balance between limestone, clay and the gentle gradient slope of Morey St. Denis - an elusive muscularity governed by finesse and elegance. Here it is as if the wine is alive - it dances, pierces your nostrils with grace and masterfully charms your tongue with subtle spices while being woven in playful wildness like how Jeremy pairs his wine with hip hop. So, make a toast to life itself while you immerse in our vivacious dining room.

### Nebbiolo | 2023 Luciano Sandrone 'Valmaggiore'

Piedmont, ITA

20 / 42

Luciano's father was a carpenter, yet, *in vino veritas* he realised his truth was in winemaking. Experience. Reasoning. Heart. These three pillars define the Sandrones devotion. They believe that the totality of life has led them here, the unyielding uniqueness in reasoning to shape their style, and the movement of passion and patience that is humbly close to nature. Valmaggiore is the liquid soul of Roero - an intense symphony of wild herbs and red fruits though always draped in a silken floral fragrance. It is the tenderness of Roero’s concave hills, held softly by the Tanaro river and nourished by warm, marly sands that still glisten with ancient fossil shells. Take your time. This is an invitation to perceive its “courage to tell the colors, scents, and flavors that will never repeat themselves,” for they are as unrepeatable as the land itself.

### Grenache | 2024 Sadie Family 'Soldaat'

Swartland, ZAF

33 / 69

Eben Sadie is one of South Africa’s most celebrated winemakers, renowned for his meticulous, site-driven approach and minimal-intervention style. He works closely with old, dry-farmed vineyards to produce wines that are pure, expressive, and distinctly reflective of their origin. This Grenache is bright and elegant, with aromas of red cherry, wild strawberry, rose petal, and subtle dried herbs. On the palate it is lively and finely textured, framed by delicate tannins and a fresh, mineral finish, capturing the grace and vibrancy of high-altitude Grenache.

### Zinfandel | 2018 Ridge Estate 'Ponzo'

Santa Cruz Mountains, USA

32 / 67

Ridge Estate are architects of the modern American palate and henceforth, the world. In 1976, when Steven Spurrier sneakily blinded their wine at the "Judgment of Paris" it shook the foundations of the wine world; while the French denounced its ageability, the rest of the world looked on in awe. Today, Ridge represents a new era, a progressive revolution that treats ancient Zinfandel with the reverence of Grand Cru Burgundy. Sourced from an altitude where clouds would hang so low you can taste their mist yet sunlight would glitter through exactly when these vines needed it most, while the Russian River below stores these zealous rays to warm the cooler nights. It is a vibrant tapestry of brambly blue and blackberries, dazzled by a signature lift of exotic cypress. This is a glass of liquid history. A proof that with enough patience and the right soil, a "modest" grape can conquer the world.

### Shiraz | 2021 Lakes Folly 'Hill Block'

Hunter Valley, AUS

41 / 87

A specialist in hand surgery, an author, show judge by night, winemaker by day and a maverick of our home, Dr. Max Emory Lake (1926-2009) crusade was one of defiance, to prove that the titans of the wine world could find an equal under the Hunter skies. “Madness” they said. A far cry from what is now the most prominent and ‘cult’ name of Australia. Lake’s Folly is a tale of fervor amplified by volcanic hills, tempered by alluvial creeks that wind around the vineyard and a vigor refined by time. It’s a wine that unravels slowly until an abrupt peak that makes you think out loud Woah! It explodes with peppery green cardamom while freshly picked herbs and purple fruits finesse their way through your tastebuds - like the Australian wine boom heralded by Dr. Max Emory Lake.

### Cabernet Sauvignon Blend | 2019 Château LaTour-Martillac

Pessac-Léognan, FRA

23 / 47

One of the rare *chateaux* that is still family-owned from its first vintage in 1897 till today by the Kressman, who was one of the first *négociant* here in Graves. Their tireless work led to LaTour-Martillac recognition in 1953 and in turn, its classification as one of Graves dignified *classified growth*. Hailed from Bordeaux’s magical soil of gravel, on the sun-drenched plateau of Martillac and warmed by the river Garonne, the wine exudes its timelessness - rich black fruits, toasted vanilla and sweet baking spices, then an enveloping velvety finish.

## DESSERT & LATE HARVEST

*A final flourish to the table, this selection explores the full spectrum of sweetness and texture in the world's great dessert wines. From gentle sparkling to the crystalline precision of Riesling, where ripe stone fruit and citrus are held in tension by piercing acidity and slate minerality.*

*Richer expressions such as noble rot (botrytis) styles of Sauternes and Tokaj reveal layers of honeyed apricot, marmalade, spice and florals, built on concentration yet defined by freshness. These wines are not simply sweet, they are structured, age-worthy and intricately balanced, offering lift, length and complexity.*

## FORTIFIED

*A deeper, more contemplative close to the meal, this collection of fortified wines showcases the art of time, oxidation and concentration. From the sun-drenched vineyards of the Barossa to the historic cellars of Portugal and Spain, each wine is shaped by patience—aged in barrel, exposed to air, and transformed into something richly complex and enduring.*

*Australian Tawny offers warmth and generosity, layered with dried fruits, roasted nuts, caramel and spice, while the structure of vintage and late bottled Port brings dark berry depth, chocolate and a firm, lingering finish.*

*Madeira, in its various styles, delivers remarkable longevity and vibrancy—ranging from lifted, nutty elegance to deeper, more luscious expressions, all carried by its signature acidity.*

*At the most opulent end, Pedro Ximénez reaches extraordinary concentration, with sun-dried grapes creating wines of intense richness—think molasses, fig, espresso and dark chocolate, balanced by surprising freshness. Alongside these, rarer expressions like Ratafia offer a unique interplay of fruit purity and spirit, bridging the worlds of wine and liqueur.*
